

# Petition Guidelines for Associate Degree Nursing (ADN)

**PETITION PERIOD:** February 3 – February 7, 2025, for Fall 2025

## NURSING PROGRAM PETITION REQUIREMENTS

In order to be eligible to petition the program for entry, you **must** apply to and be admitted by the college, attend an Advising, Registration, and Orientation (ARO) session, meet all program-specific eligibility requirements and attend a health sciences petition meeting specific to the program you plan to petition.

**Required Courses Prior to Petitioning** – completed with a grade of “C” or better

- Chemistry – one year of high school chemistry with lab OR one semester of college chemistry  
Acceptable BTC Courses include: Prep for Basic Chemistry (836-133), Chemistry Prep (856-787), General Chemistry (806-134), General, Organic, and Biochemistry (806-199), OR Intro to Biochemistry (806-186)
- English Composition 1 (801-136) or Written Communication (801-195)
- General Anatomy & Physiology (806-177)
- Intro to Psychology (809-198)
- Basic Nursing Assistant – must be completed within five (5) years of petitioning to the Nursing Program. Consideration will be given for those who are or have been employed as a Nurse Assistant.

**Admissions Testing:** TEAS for Allied Health Students – Information regarding the TEAS for Allied Health Students test scheduling and administration is found at [BTC's Admission Testing Page](#). A transcript/copy of your TEAS results must be submitted to the [self-enrolled Nursing Program Petition Blackboard page](#). If multiple attempts have been made, you may submit your highest test score. Even if your TEAS scores are on file with BTC, you still must submit your results to this e-mail.

**Attend a Nursing Petition Meeting within a year of petitioning:** During the meeting, you will review program-specific requirements during breakout sessions which typically last two-hours (and may run longer).

## PETITION PROCESS

After meeting the minimum requirements, you are now eligible to petition. It is your responsibility to submit a completed petition online form and all required petitioning documents to the [self-enroll in Nursing Program Petition Blackboard page](#) during the designated petition period in order to be considered for entry into the clinical program. Even if all documents/information is on file with BTC, you still must submit all of the required documents to the e-mail.

As program entry is granted to only a designated number of students, the petition elements are awarded points. Note: There are additional factors (i.e., previous, related work experience) that may be considered and awarded extra points for competitive entry – these are outlined below. More information will be available at the required petition information meetings. *Please note: Continuous enrollment is not required in order to maintain a current application.*

## NURSING PETITION GUIDELINES

Only students who have **completed the application process** and **meet all program-ready requirements** are eligible to petition. Petition forms and work experience forms **must be submitted/received no later than 4:00 p.m. on the last petition day**. Information regarding submitting the petition application is included at the end of this packet.

When filling out the online petition form, please read through, complete all required sections, and submit all required documents to the [self-enroll in Nursing Program Petition Blackboard page](#). **Failure to do so will result in an invalid petition.**

### STUDENT INFORMATION

Student Name	BTC Student ID Number	Date of Nursing Petition Meeting Attended
<input type="checkbox"/> Full-Time Admission <input type="checkbox"/> Part-Time Admission* <i>*Part-time admission is only available during the February petition period.</i>		

You will be asked to read & initial the following statements on the online petition form:

- I have verified that Blackhawk Technical College (BTC) has my current mailing address on file.
- In the case of a tie, the “Date of Pre-Clinical Admission” as a date stamped by BTC Admissions will be the deciding factor.
- If I am selected and choose not to begin the core clinical courses, I must petition again.
- If I am selected as an “alternate” I may be contacted as late as one month prior to the start of the core courses. If I choose not to begin the core clinical courses, I must petition again.
- I understand a background check and possible drug screen will be conducted and the results may prevent my placement at a clinical site and interfere with my ability to complete the program.
- I understand that program requirements for future petition periods may have different selection criteria and I must meet those new requirements if I am not selected in this current petition period or thereafter.
- I understand that a petition meeting must be attended every year that I petition. Failure to attend a petition meeting every year before petitioning will result in my application being considered incomplete and void.
- I understand that while I may take the required, program-specific test (i.e. TEAS-Allied Health) as many times as I choose, I may submit the highest score I received for consideration.
- I understand that I must submit to the [self-enrolled in Nursing Program Petition Blackboard page](#) with an attached copy of the TEAS-Allied Health test score transcript (or ATI transcript validation for Allied Health).
- I understand that I submit to the [self-enrolled in Nursing Program Petition Blackboard page](#) an unofficial BTC transcript. Students can print unofficial transcripts through MyBTC at mybtc.blackhawk.edu. Any relevant transfer coursework **must** be documented on the BTC transcript at the time of submission to be considered valid. *Failure to provide BTC transcripts will result in an invalid petition.*
- I understand that I must send a copy of my current Certified Nursing Assistant license or a copy of my name on the state Nursing Assistant registry to [self-enroll in Nursing Program Petition Blackboard page](#) to verify my current standing as a Certified Nursing Assistant.
- I understand that an incomplete petition will be considered invalid.
- I understand if I choose a full-time or part-time track and want to switch, I will need to follow the process outlined in the BTC Nursing Handbook.
