PETITION PROCESS

After meeting the minimum requirements, you are now eligible to petition. It is your responsibility to submit a completed petition packet and all required petitioning documents during the designated petition period in order to be considered for entry into the clinical program.

As program entry is granted to only a designated number of students, the petition packets are awarded points. Note: There are additional factors (i.e. previous, related work experience) that may be considered and awarded extra points for competitive entry — these are outlined below. More information will be available at the required petition information meetings. *Please note: Continuous enrollment is not required in order to maintain a current application.*

PTA PETITION APPLICATION

Only students who have **completed the application process** and **meet all program-ready requirements** are eligible to petition. Petition forms and work experience forms **must be submitted/received no later than 4:00 p.m. on the last petition day**. Information regarding submitting the petition application is included at the end of this packet.

Read, complete all sections, and submit all required documents. **Failure to do so will result in an invalid petition.**
