Surgical Technology Annual Report (08/01/2022 to 07/31/2023)

Approved

✓ **Approved**   •••

☒

Description: Substantive changes must still be reported to the ARC/STSA within 30 days of the change; documentation supporting non-substantive changes should be maintained on campus and submitted upon request. More detail regarding substantive versus non-substantive changes will be added to the Maintaining Accreditation page soon!

Cycle: Starts 08/01/2022 and ends 07/31/2023

Reporting: Starts 05/01/2024 and ends 07/31/2024

Role: Surgical Technology

Unique Identifier: ST3678

Status: Initial Accreditation

Required

Admissions Policy or Process	No		✓ Accepted	•••

Any changes in the **admissions policy or process** during the 12-month reporting period that ended July 31 of last year?

✅ 🔒 Communities of Interest Information

Program Information	Answer	Documentation

Required

PAC Meetings	Yes	✅ Accepted •••

Did you conduct any PAC meetings during the 12-month reporting period that ended July 31 of last year? If yes, please enter the most recent date for the PAC meeting below, that falls within the reporting period.

Standard II.B. requires the Program Advisory Committee (PAC) to meet at least once within a 12-month period (annually) to provide feedback and assess annual program outcomes data and curricular issues. Minutes should be taken at every meeting.

If your PAC did not meet as required during this reporting period, you must complete a Plan of Action.

Required

PAC Member Attendance	No	✅ Accepted •••

Were any PAC members absent from the meeting entered into this year's Annual Report in the PAC Meeting question?
